

A survival horror game that takes on a nightmare world through VR Meta Quest 2 version *Organ Quarter* is Available Today!

May 26, 2023, Tokyo – Amata K.K. is pleased to announce the availability of *Organ Quarter* for Meta Quest 2 today.

■ Meta Quest 2 version of *Organ Quarter* releases today

The Meta Quest 2 version of the VR survival horror game *Organ Quarter* is now available today. An homage to survival horror experiences of the 90s, *Organ Quarter* is a survival horror game in which players explore and solve puzzles while immersed in a VR world teeming with nightmares. This indie game from Seattle-based Outer Brain Studios has gained attention as a highly immersive and overwhelming VR horror experience since its release on Steam in October 2017.

AMATA Games has now licensed the game from Outer Brain Studios to port and distribute it and make it available

in multiple languages.

■About *Organ Quarter*

Organ Quarter is a VR survival horror game focused on what made survival horror great: labyrinthine environments, resource management, and well-balanced puzzling. An homage to the slow, methodical survival horror experiences of the '90s, explore the compelling nightmare world and enjoy the most intimate horror experience yet.

■Story

Uncover what has gripped and twisted the Organ Quarter. Over weeks and months of isolation in your apartment, something has happened to the city. It has become infected. Its places. Its people. Everything has become twisted by a disease that may or may not have a motive. Explore a city that has become a wasteland and body-horror nightmare, full of surreal puzzles and grotesque beings.

■ About AMATA Games

AMATA Games is the brand that publishes indie games operated by AMATA K.K.

AMATA K.K. is a game development company with the mission "To make the world more entertaining". Having gained experience developing and publishing VR Escape-the-Room Game *Last Labyrinth* as an indie game, we at AMATA wish to spread the joy of indie games more by making it possible to enjoy fun games on all kinds of hardware.

Therefore, we launched our publishing brand AMATA Games in August 2021 based on our belief that we can support indie game developers by taking charge of multi-platform porting and operations for good indie games that we find "Super fun!" so that we can share their appeal to more people.

As of May 2023, we operate our proprietary titles *Last Labyrinth*, *The Tale of Onogoro* as well as *NOSTALGIC TRAIN*, *Backpack Twins*, *Organ Quarter*.
