**Hard but fair single-player puzzle platformer**  
***Backpack Twins* for PlayStation®4 are Available Today!**

---

**November 29, 2022, Tokyo** –Amata K.K. is pleased to announce today the availability of *Backpack Twins* for PlayStation®4.

**The PS4 version of *Backpack Twins* releases today**

Today, the PS4 version of the hard but fair single-player puzzle platformer *Backpack Twins* is now available.

*Backpack Twins*, which recently became available on Xbox One on November 17, is a hard but fair single-player puzzle platformer. Swap between the twins as you control them to make the two work together to solve puzzles.

Released on Steam by indie game creator *Ima Bryn* in August 2019, this game is tough but fair, and generated buzz for its excellent controls, retro vibes, and humorous gameplay.

To enable a wider audience to play *Backpack Twins*, Amata is responsible for porting and multi-language support. We also plan to distribute the game on Nintendo Switch™ in the future.
