

## Swap. Solve. Survive. Hard but fair single-player puzzle platformer *Backpack Twins* for Nintendo Switch™ are Available Today!

---

January 5, 2023, Tokyo –Amata K.K. is pleased to announce the availability of *Backpack Twins* for Nintendo Switch today.

### The Switch version of *Backpack Twins* releases today

Today, the Switch version of the hard but fair single-player puzzle platformer *Backpack Twins* is now available.

*Backpack Twins*, which also launched on Xbox One and PlayStation®4 last year, is a hard but fair single-player puzzle platformer. Swap between the twins as you control them to make the two work together to solve puzzles.

Released on Steam by indie game creator *Ima Bryn* in August 2019, this game is tough but fair, and generated buzz for its excellent controls, retro vibes, and humorous gameplay.

Amata is responsible for porting each platform and multi-language support to enable a wider audience to play *Backpack Twins*.
